

My Book of Hilary Duff

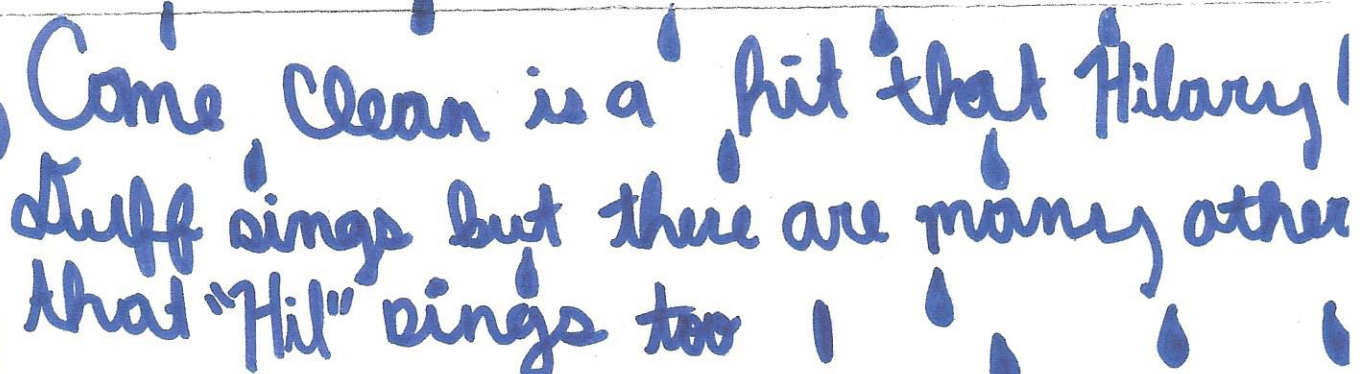

A cold February morning
a baby was born and
her parents named her
Hilary Duff.

Baby but when she grows up
she is pretty, an actor, and
a singer with many friends.

Come Clean is a hit that Hilary
Duff sings but there are many other
that "Hil" sings too

Duff is now on a roll and if her plans go right then she could be bigger than Brittany, Jessica, Olsen twins, and Jennifer Lopez, all together.

Ever since she started acting she had good grades and been very pretty.

A+/100 ~~A+~~ A+/100 ~~A+~~ A+/100 ~~A+~~ A+/100

From the time that "Hil" started acting to now at age 16 she has been very humble.
