t	t-rex, trees, tar pits ,
u	
v	volcanoes ,
w	water, weather ,
x	
y	
z	

NOTE: A-Z is to increase comprehension & higher level vocabulary. Such a list will allow students to clarify—making connections, making meaning.

Following the collection of vocabulary on this list, the teacher may utilize “Touch & Name” to practice using new vocabulary and composing complete sentences orally before writing them.

Extra: These two activities were used with ESL students to assist in quick vocabulary building with great success.
